The International Congress

“The Apple in the World”

Also note that INTERPOMA will be accompanied by an interesting programme of support events. In addition to the classic congress event, a conference will be held that will attract many international speakers on the topic “The Apple in the World”. One of the highlights of the three-day congress in the modern and well-equipped premises of the Congress Centre of the Bolzano Exhibition Center/Four Points Sheraton.

INTERPOMA in detail

The main reasons for the trade show are the following topics and products:

- Cultivation technologies
- Storage technologies
- Packing technologies
- New facilities and tree nurseries
- New methods of production
- Means of production
- New tree varieties
- Plant protection
- Tractors and transport equipment
- Machinery, devices, and materials for road construction
- Insulating materials, controlled atmospheres, and coating technologies
- Food (miles) for Thought - Energy Balance for Locally-Grown versus Imported Fruits

The congress takes place in the modern and well-equipped premises of the Congress Centre of the Bolzano Exhibition Center/Four Points Sheraton.
