The following general terms and conditions regulate the contractual relationships between Fiera Bolzano S.p.A. and all parties who intend to participate in trade show, exhibitions, conferences and other information and training events of Fiera Bolzano S.p.A. on the Bolzano trade show premises, piazza Fiera 1, hereinafter also referred to as "exhibitor".

Art. 1) Description and purpose.

Fiera Bolzano holds trade show as well as exhibitions, conferences, trade shows and other information and training events annually in the interests of domestic and foreign producers and consumers. The aim of these events is to present products from agriculture, industry and crafts to the public and to support and promote the exchange of commercial ideas and experience on a national and international level.

These provisions apply to all events organized by Fiera Bolzano. The parties expressly acknowledge that these general terms and conditions are an essential element of the confirmation of participation and are therefore an integral and fundamental component of it.

Art. 2) Use of trade show and exhibition spaces.

Fiera Bolzano grants the exhibitor the right to use the spaces shown in the trade show plan in the condition they are in at the time of signature by the parties. The trade show plan will be attached after signature of the confirmation of participation. Fiera Bolzano reserves the right to make changes (see Art. 13) to the positions of individual exhibitors.

The exhibitor may not exhibit any products other than those stated in the application form and approved by Fiera Bolzano. Assignment of the exhibition space and stands to third parties is prohibited.

Art. 3) Participants.

Italian and foreign producers are permitted to participate in the events of Fiera Bolzano as well as their representatives, dealers or agents, also institutions, consortia or other professional or producer groups deemed suitable by Fiera Bolzano.

Applications for participation in the events of Fiera Bolzano must be sent by ordinary e-mail (info@fierabolzano), by certified electronic mail (fieramesse.bz@pec.it) or using the relevant form on the website stating the desired exhibition space, the represented businesses/individual companies and the products to be exhibited.

Fiera Bolzano shall be entitled to reject participation by an applicant without stating reasons.

Art. 4) Registration.

If accepted, Fiera Bolzano will send the organizations/companies to the on-line exhibitors profile. When registering on-line for the event, these general terms and conditions must be accepted. The catalogue data will then be requested and it will be possible to order the services.

In order to confirm the registration, the deposit must also be paid by electronic invoice in accordance with terms stated in the estimate and in the confirmation e-mail.

The on-line registration applies exclusively to the event stated therein, irrespective of changes to the general program of Fiera Bolzano and changes to the specific program associated with the event. The on-line registration counts as acceptance and shall be binding for the exhibitor.

Art. 5) Duration of use - contractual penalty.

The exhibition spaces are available to the exhibitor only for the setting up and dismantling times as well as the period of the exhibition. Clearance of the areas must be completed at the latest by the time stated on the event website.

If the above-mentioned deadlines are not complied with, even for parts of the area transferred for use, the exhibitor shall be required to pay Fiera Bolzano for each day of delay or part thereof a contractual penalty amounting to €100.00 per square meter. Exhibition spaces not occupied when the trade show event opens shall be deemed to be abandoned by the exhibitor and shall be freely available to Fiera Bolzano S.p.A.

Art. 6) Times of use for spaces and services of the trade show.

Fiera Bolzano shall notify the opening and closing times of the event as well as the duration of it on the official event website and reserves the right to change them at any time without entitling the exhibitor to withdraw from the contract and/or to terminate it and/or to assert compensation claims.

Art. 7) Remuneration.

For the temporary use of the spaces stated in the confirmation of participation the exhibitor shall pay Fiera Bolzano the fee stated therein in accordance with the conditions and deadlines specified there.

A requirement for occupation of the assigned spaces is full payment of the amount due within the times agreed in the confirmation of participation and in these general terms and conditions. If payment is not made punctually, this shall count as relinquishment and shall entitle Fiera Bolzano to have free disposal of the relevant spaces.

If the exhibition cannot take place for reasons for which Fiera Bolzano is not responsible, Fiera Bolzano shall only be required to reimburse the amounts paid without interest and/or losses exceeding this.

Every exhibitor/co-exhibitor will be charged the registration fee stated in the offer in accordance with the provisions in Art. 4. The participation fee also includes entry of the exhibiting companies in the official trade show catalogue.

If the fee is not paid punctually, penalty interest will be charged in accordance with legislative decree No. 231 dated 9 October 2002.

The exhibitor shall be required to pay the agreed fee, irrespective of the existence of any objections or legal disputes relating to the contract.

Art. 8) Provision of services

Fiera Bolzano shall provide the exhibitor's individual stands, within the bounds of the enclosures and the agreements made in the confirmation of participation, with the technical services (power,

With installation of the electrical equipment at the individual stands the exhibitor shall be required, under their own direct responsibility, to ensure compliance with the prevailing safety standards and to refrain from altering the existing systems arbitrarily. If none of the technical facilities ordered by the exhibitor are available in the areas assigned to the exhibitor, the exhibitor may – provided this is not hindered by any particular technical reasons – have junctions from the normal cables placed by the staff of Fiera Bolzano at the cost of the exhibitor.

In the case of non-compliance with safety regulations and breaches of these contractual terms and conditions, Fiera Bolzano shall be entitled:

- b. to charge the exhibitor a contractual penalty amounting to 50% of the service.

Art. 9) Use of trade show spaces.

The exhibitor undertakes to use the space provided by Fiera Bolzano with great care. Misuse of the spaces made available is not necessarily constituted only when damage occurs. It is also constituted by any conduct that is detrimental to the interests and spaces of Fiera Bolzano.

The exhibition spaces shall be provided to the exhibitors with a brief period of advance notice stated on the event website.

The exhibition spaces shall be provided with or without stand fittings. Additional or individual equipment must be requested separately and within the periods specified by Fiera Bolzano. In respect of the fittings for areas and stands, the terms and conditions stated in the technical guidelines published on the website www.fierabolzano.it and which are available on request must be complied with.

Participants must clean the assigned spaces on a daily basis at times specified by Fiera Bolzano, either by their own staff or by cleaning companies authorized by Fiera Bolzano. If cleaning is not carried out carefully and on a daily basis, Fiera Bolzano shall carry out standard cleaning with their own staff and shall charge the associated costs to the exhibitor.

The exhibitor must return to spaces used within the agreed periods with no persons and/or objects in the spaces, in the condition and quality as at the time when it was taken over and fully cleaned.

If exhibition spaces are not returned in the above-mentioned condition, Fiera Bolzano shall be entitled, at the cost of the exhibitor, to arrange removal of objects and cleaning of the spaces; this shall not affect the right to claim compensation. Within 30 days after the end of the event Fiera Bolzano may dispose of goods/furniture/objects left on the trade show premises at the exhibitor's expense without prior notice.

The exhibitor may only remove goods and dismantle stands during the times specified by Fiera Bolzano and stated on the event website.

Art. 10) Right of retention.

Fiera Bolzano shall divide the exhibition space at their own discretion into sectors and shall allocate them to the participants in accordance with the general trade show plan; the assigned spaces shall be indicated in the participation offer.

Fiera Bolzano reserves the right, on the basis of their own essential needs, to change or switch the division of sectors for the assigned spaces, without this giving entitlement to the exhibitor to withdraw from the participation contract or to demand compensation.
